### HOW TO USE YOUR ANTHEM DIAGNOSTIC X-RAY BENEFITS

Many members are not aware, under the Anthem HMO Plan, you can avoid a copay if your doctor requests advanced imaging's such as CAT, CT or PET Scans when the services are performed in an **approved hospital-based facility**. Currently if services are not provided at a hospital-based facility, the copay is \$100.00.

This copay does not affect the POS, PPO or Blue Card plans. The standard deductible and coinsurance apply.

The following are excerpts from your current Anthem Blue Cross Plan Summaries for the HMO, POS and Blue Card Plans describing your Diagnostic X-Ray Benefit:
