In the event you do not have your Express Scripts ID card, you can present the following information to the pharmacy:

Processor Control#:	A4
Enter Rx Group #:	APTA
9 digit member ID #:	(Employee SSN)
Member's date of birth:	

Your Pharmacist may call the Express Scripts Pharmacy Help Desk at (800) 824-0898, 24 hours a day with any questions.

INJECTABLE & SPECIALTY MEDICATIONS (PROVIDED BY ANTHEM BLUE CROSS)

If you are an Anthem Blue Cross HMO or POS member, most covered injectable medications must be ordered from the Anthem Blue Cross vendor **Precision Rx**. This service is for people with chronic medical conditions who require regular injections of certain medications (*Please Note: insulin is covered through Express Scripts*).

Your medical group will coordinate the authorization and ordering of your specialty injectable prescriptions. Prescriptions may be faxed along with your Anthem Blue Cross ID card to 1-800-824-2642. Some HMO Medical Groups process the Injectable Medication Benefit differently.

Physicians and Members may call 1-800-870-6419 to verify patient and provider information or to simply ask questions. Care coordinators are available Monday through Friday from 8 am to 10 pm Eastern time.

**Most injectable medications are not covered under your Express Scripts Pharmacy Benefit.*
